Meeting started on 9:17 AM. The following notes are a point-form discussion on the rough schedule layout we agreed on for OE3C along with any links for potential outing ideas and sponsors.

- Alex to Nick and Madelaine – how many time slots would they like for workshops?
 - Nick – 2 workshops/outings per day = 4 slots total
 - Alex – it's fine if the time slots overlap because people can choose which workshops they want
 - Nick – coding workshop
 - Bring in Rasa to help with that
 - Alex – we will use the OE3C 2024 Waterloo schedule as a template
 - Each day will start at 8 am and end at 7 pm
 - We'll think of 30 min chunks for each day
 - Early morning hike
 - Wine tour at night
 - Nick – salamander?
 - Alex – can do at night and get a bus
 - Everyone needs to be ready to work at 8 am
- Day 1
 - Early morning hike – general time slot is 9-11 am and Wylan can choose a specific time that works for them
 - Registration – 11 am to end of day
 - Hotel check-in at 3 pm
 - We should have an area where people can leave their bags if they arrive before check-in
 - Alex will check with the hotel if it's possible to have multiple check-in times
